2025: CONCLAVE ON JUSTICE FOR CHILDREN

a collaborative effort across key stakeholders under the aegis of the HCJJC, Allahabad

Rolling out the Pedagogy with focus on the Capacity Development	<p>An orientation-cum-training of key functionaries from select Child Care Institutions (CCI) across 10 districts with an aim to train 30 CCI functionaries and 10 Child Protection Officers</p> <p>It is expected that once trained, the functionaries with support from CPO and under the guidance from the experts would start taking small steps in supporting / facilitating changes well-within their means and an available resource</p>	<ol style="list-style-type: none"> To model the rollout plan in select CCI To provide handhold and mentoring support to the select CCIs for a period of 6 months To mentor CPOs and SCERT nodal in districts for an effective rollout, monitoring and reporting of the progress To demonstrate / showcase good practices emerging from the modeling 	<p>CCI functionaries</p> <ul style="list-style-type: none"> - 3 per CCI - 1 CPO (IC) - 3 SCPS <p>(10 districts to participate)</p>	DWCD, Govt of UP	CP Section, UNICEF Neeraj / Preetesh
	<p>Teachers deputed from Basic Shiksha are assigned to run bridge courses / teach children across all CCIs. While these teachers are well-versed with the routine curriculum followed in Primary / Upper Primary schools, the idea of teaching children under CCI is challenging and complex</p> <p>While the pedagogy framework gets rolled out in 10 select districts on a pilot basis, the aim is also to strengthen the education services based on a curriculum developed by SCERT, Govt of UP. Broadly, different efforts are required for CNCP and CICL within CCIs and hence the teacher on deputation needs to be oriented / trained in accordance with the profile.</p>		<p>All teachers from Basic Siksha deputed across CHs / OH</p> <p>2 batches</p> <ul style="list-style-type: none"> - 1 with teachers from CHs - 1 with teachers placed within OH <p>The trainings (3 day each) to be organized by SCERT in Lucknow</p>	SCERT, UP UPSDMA	Education Section Neeraj
Strengthening SJPU	SJPU is one of the Statutory Body defined under the JJ Act. Together, with POCSO Act, SJPU has a dual	<ol style="list-style-type: none"> To build a common language and understanding vis the 	All SJPU Nodal All DIG	WCSO, Dept of Home	DWCD UNICEF Maharshi / Neeraj

Strengthening Free Legal Aid	<p>The Legal Service Authority Act under Section 12 (c) ensures that children should be provided with free legal aid.</p> <p>Similarly, Section 8(3)(c) of the JJ Act requires the Juvenile Justice Board (JJB) to ensure the availability of legal aid to the child during the preliminary inquiry and first production.</p>	<ol style="list-style-type: none"> 1. To build a common language and understanding on Free Legal Aid to Children in Conflict with the Law / POCSO victims and the NALSA Scheme - 2024 2. 	<p>Further, NALSA is the primary body for providing free legal services, and the <u>NALSA (Child-Friendly Legal Services for Children) Scheme, 2024</u>, consolidates previous schemes to ensure accessible and comprehensive legal aid for children.</p> <p>In accordance with the Scheme and the Statute, it's critical to ensure that every child has the 'accesses to free legal aid, from the time s/he is apprehended.</p> <p>It's thus desirous that a more robust system is developed to ensure access, tracking and the monitoring of the effectiveness and the efficacy of Free Legal Aid to Children – especially those in Conflict with the Law.</p>	<p>reporting and accountability of DLSA (Panel Lawyers) as the defenders of child protection to any issue vis CNCP, CICL and POCSO victims</p> <p>3. <p>Convergence for Children with Disability with focus on the Girl Child</p>	<p>In 2024, the SCJJC focused on Children with Disability (CwD) and has since issued guidelines to ensure early detection, quick referral, timely treatment and an appropriate rehabilitation – based on the assessment and the need of every individual child.</p> <p>In 2024-25, the Dept of Disability, Health, Education and the Dept of Women and Child Development (DWCD) have given higher thrust to ensure all above.</p> <p>In the light of the progress made, its critical that the Govt of UP also develops a comprehensive Convergent Plan emphasizing on defining the role, resources and adequate follow-up with every individual child.</p>	<p>1. To ensure the necessary policy and legal steps taken to ensure accessibility and inclusion of CwDs by removing all barriers that hinder realization of their rights.</p> <p>2. A State Action Plan be developed and adopted for protection of CwDs, which would be reviewed and monitored jointly from the executive and judicial side.</p> <p>3. Efforts are made to ensure that CwDs grow in a nurturing family environment. All approaches and processes are followed</p>	<p>Divisional Officers from Health, Education, DWCD and the Dept of Disability</p> <p>Plus</p> <p>CWC members from Division</p>	<p>Dept of Disability DWCD Dept of Education Dept of Health, NHM</p>	<p>UNICEF – Health, Education and Child Protection</p> <p>Preetesh / Pallavi</p>

	It's the desire of the HCJJC, Allahabad, to organize a 1-day Consultation between 14-20 November 2025, in developing a comprehensive convergent plan to support CwD.	to achieve this and more with focus on ensuring social protection to every child.			
Better Care Network – to learn and care	<p>University students are vital contributors to social service, using their energy, creativity, and skills to benefit their communities by volunteering, organizing, and raising awareness for various causes. This engagement fosters empathy, responsibility, and leadership in students, providing them with practical experience while addressing societal issues. Through social service, students gain a deeper understanding of community challenges and become more socially responsible citizens, contributing to a positive societal impact and personal growth.</p> <p>Vulnerabilities amongst children, especially those who come under the purview of the Act, is one of the areas of concern, wherein students could learn to care, and build connect between academics and practices.</p> <p>At the behest of the HCJJC, Allahabad, three Universities (Lucknow, Kanpur and Bhatkhande Cultural University), have entered a Memorandum of Understanding (MoU) with DWCD in building a 'better care network' for children, residing in CCIs.</p> <p>Taking this initiative forward, the HCJJC is desirous that DWCD organizes a one-day consultation with 18 Premium Universities across 18 Divisions to carry the baton across the</p>	<ol style="list-style-type: none"> 1. TARANG – funfare for children from CCIs	<p>Customary to each year, the DWCD directs district-level Nodal Officers to celebrate Child Rights Week each year between 14-20 November – as 20 Nov is also celebrated worldwide as Childs Rights Day.</p> <p>Considering the successful initiatives supported by DWCD between Oct 2024 till date, its time to rejoice the success and provide with a new horizon for children to aspire and dream about.</p> <p>TARANG meaning waves / ripple – a kind of nudge provided to children to explore newness in their lives by interacting with children from another milieu. The aim is to foster collective learning, empathy and togetherness.</p> <p>The aim is to ensure mixed group activities in CCIs involving 4 different private / public schools between 14-20 Nov with focus on 'joint group work / activity'. Each day, few dignitaries can be invited wherein children showcase their co-creation.</p> <p>Further, TARANG could be culminated on 20 November with a fanfare showcasing their talent, joint learning and collective efforts.</p>	<ol style="list-style-type: none"> 1. Protection of Children under JJ Act and Convergence for Rehabilitation and Prevention	An aim of the Juvenile Justice & POCSO Act is to ensure restoration and the rehabilitation of children defined as Children in Need of Care and Protection – including, children in conflict with the law.	<p>A dialogue sans boundary to explore the 'best interest' for every child.</p> <p>Identify critical areas for cooperation and learning exchanges while working with CNCP and CICL</p>	<p>Principle Magistrates</p> <p>CWC Chairpersons</p> <p>DPOs, DWCD</p>	DWCD UPSDM	UNICEF Neeraj / Srishti

	<p>Unfortunately, the treatment met out to CNCP and CICL is different due to the nature of circumstances that they are brought before the authorities, i.e., the CWC and JJBs.</p> <p>Going beyond the boundaries, it's critical that we first treat every child as a Child in Need of Care and Protection merely due to the circumstances that they are found in.</p> <p>First of its kind, the HCJJC would be keen to listen to the challenges faced by CWC and JJB when it comes to the rehabilitation of each and every child – be it, education or vocational with capacities build for employability – thus, preventing and residue effect on the child in the long-run.</p> <p>It is proposed that a State-level dialogue is organized by JTRI under the aegis of the HCJJC within JTRI premises between 14-20 November.</p>	<p>A collective exploration of avenues for mainstreaming of CNCP and CICL.</p>	<p>Scheme Officers from DWCD and UPSDM</p>
