PART I: OVERVIEW AND BACKGROUND

1. Viksit Bharat Young Leaders Dialogue (VBYLD) 2027: National Youth Festival (NYF) - Introduction and Background

The Ministry of Youth Affairs and Sports, Government of India, commemorates the birth anniversary of Swami Vivekananda on January 12th as National Youth Day, honouring one of India's greatest philosophers, thinkers, and patrons of youth. The day celebrates his enduring vision of an empowered and enlightened youth and serves as an inspiration for young people to contribute meaningfully to the progress and development of the nation.

Since 1995, the Ministry has organised the National Youth Festival (NYF) as a flagship event, originally conceptualised under the National Integration Camp (NIC) programme. The festival serves as a vibrant platform that brings together youth from diverse cultural and social backgrounds, fostering national integration, communal harmony, brotherhood, and a spirit of adventure. States are encouraged to hold State-level and district-level youth festivals in the same vein, with financial assistance from the Ministry.

In 2025, the National Youth Festival was restructured into the Viksit Bharat Young Leaders Dialogue (VBYLD) to align with the Hon'ble Prime Minister's vision of engaging youth in the Viksit Bharat @2047 mission. The previous edition, **VBYLD-2026**, attracted more than **50 lakh** motivated youth nationwide who attempted the **Viksit Bharat Quiz** over MY Bharat and MY Gov portal; about 3000 dynamic youth, through a merit-based, multi-stage process, representing India's most vibrant demographic youth aged 15-29, were selected to participate in 'the Viksit Bharat Young Leaders Dialogue 2026.

Building on this transformation, VBYLD-2027 will continue as a national platform for engaging young minds aged 15–29 years across six major tracks, culminating in a Grand National event in New Delhi from 10–12 January 2027.

2. MY Bharat – Empowering Youth for Viksit Bharat

Mera Yuva Bharat (**MY Bharat**) is an autonomous body under the Government of India that provides equitable access to opportunities for youth to realise their aspirations and actively contribute to building Viksit Bharat. Through a technology-driven platform, it connects young people with experiential learning, volunteering, mentorship, and recognition opportunities. **MY Bharat is also the executing agency for VBYLD-2027.**

All registrations, quizzes, essay writing, and other components of VBYLD-2027 will be hosted on the MY Bharat portal (mybharat.gov.in). Youth already registered on the portal need not register again.

4. Target Group and Eligibility

Young people aged 15–29 years as on 17th August 2026 are eligible to participate in various tracks of VBYLD-2027.

The National Youth Festival (NYF) – VBYLD-2027 is a major activity under the Promotion of National Integration component of the National Programme for Youth and Adolescent Development (NPYAD) Scheme of the Ministry of Youth Affairs and Sports.

5. Structure and Key Tracks

VBYLD-2027 will be organised around six tracks, run concurrently at the state edition and culminating in selections for the national dialogue at New Delhi.

5.1 Viksit Bharat Challenge Track - The Viksit Bharat Challenge Track is the flagship component of VBYLD and serves as the primary platform for youth to contribute innovative ideas towards the vision of Viksit Bharat @2047. The competition will be conducted through a structured three-stage process comprising a quiz, an essay, and a presentation. For the 2027 edition, the track has been reorganised around ten regional clusters, enabling broader participation, regional representation, and more effective identification of outstanding youth leaders and policy ideas.

5.2 Cultural Track - The Cultural Track aims to celebrate India's rich cultural diversity, foster national integration, and encourage creative expression among youth. Competitions will be held at the District, State, and National levels, featuring events such as Folk Dance, Folk Song, Painting, Declamation, and Poetry Writing. The track provides a platform for young artists to showcase their talent and to preserve and promote India's cultural heritage.

5.3 Design for Bharat - The Design for Bharat Track is a national design challenge that harnesses the creativity of young designers to address real-world developmental challenges. The competition will be conducted through designated nodal design institutions across States and Union Territories, with participants developing innovative, user-centric solutions aligned with national priorities. The top team from each State/UT will qualify for the National Round.

5.4 Hack for Social Cause - The Hack for Social Cause Track is a technology-driven innovation challenge that encourages young technologists, students, and innovators to develop scalable digital solutions to pressing social and developmental issues. Participants will work on problem statements of national importance, with an emphasis on innovation, feasibility, and societal impact. The competition will culminate in a National Finale, where shortlisted teams will present functional prototypes to an expert jury.

5.5 Youth Entrepreneurs Challenge - A new track introduced in 2027 for young professionals, inviting startup pitches and business plans aligned with Viksit Bharat priorities. Detailed guidelines and evaluation criteria for this track will be circulated separately.

5.6 Youth Parliament - For 2027, the Youth Parliament has been integrated with Viksit Bharat Young Leaders Dialogue. All the finalists of the Youth Parliament will also participate in the National event of the VBYLD. Finalists of previous editions of the Youth Parliament shall not be eligible to participate in VBYP held in subsequent years.

PART II: TRACK DETAILS

6. Viksit Bharat Challenge Track

6.1 Objective

The Viksit Bharat Challenge Track provides a platform for youth to articulate innovative ideas on sector-specific themes such as Future Governance, Climate Change, Demographic Dividend, Entrepreneurship, Technology, Innovation, and Future Readiness; suggest solutions to emerging challenges; and demonstrate knowledge, clarity of vision, innovation, creativity, and leadership skills. Ideas put forth by youth also provide useful insights to policymakers for policy-level interventions.

6.2 . The Region-wise Framework for 2027

The defining change for VBYLD-2027 is the shift from a single set of national themes to a regionally anchored structure. At the state edition level, participants will work with ten topics specific to their own State, mirroring the State's developmental priorities rather than the broader pan-India themes used in earlier editions. At the national level, the country is organised into ten regions, each with a guiding challenge theme, as set out below. Each region's state team prepares its national-level presentation on its region's specific theme, and the ten regional finalists present before the Hon'ble Prime Minister, one team per region.

6.3. Selection Process and Timeline

a. Stage-wise Process

- i. **Stage I (Digital): The Viksit Bharat Quiz:** A nationwide online quiz will be conducted in multiple languages on the MY Bharat portal. Individual participants will take part in the online quiz. Participants selected from the Quiz round will proceed to Stage II, the Essay round. Adequate representation from all Districts will be ensured.
- ii. **Stage II (Digital): The Viksit Bharat Essay Challenge:** Participants selected in Stage I will submit a 500-word essay on the selected theme via the MY Bharat portal. Essays will be evaluated by domain experts engaged by the respective State/UT Governments at a venue determined by them. The detailed criteria may be seen in Annexure A.
- iii. **Stage III (in person): District Championship:** The top 50 essays per district will be selected for the PPT round at the district level. District-level topics will follow the same regional theme as the State, applied specifically to that State rather than to the region as a whole. For instance, a district in Haryana will work within the National Capital Region's theme of Future Governance, Urban Transformation and Citizen Services, framed specifically for Haryana. The top two presenters per district will qualify for the state edition, i.e., State VBYLD.
- iv. **Stage IV (in person): State/UT VBYLD:** This will be organised by the respective State/UT Governments at the State Hqr wherein the District-level selectees will make individual presentations on the same theme before a jury during State VBYLD. The state team for the national round will be formed on the basis of their performance at the State level.

National-level participants in any previous year shall not be eligible for this year's event. The rubrics for PPT may be seen in Annexure B.
- v. **Stage V (in person): National Round of VBYLD:** Participants selected from all States/UTs under 10 regional themes will form part of the National contingent of the VBYLD. 7. Cultural Track

7.1 Introduction

The Cultural Track of VBYLD is envisioned as a vibrant celebration of India's heritage, innovation, and youth power. Anchored in the diversity of Viksit Bharat, it provides a unique space for young leaders to express their creativity, patriotism, and talent through cultural forms such as painting, folk dance, folk song, declamation, and poetry.

The journey of VBYLD follows a progressive structure from the grassroots (District level) to the State and National levels, ensuring that local voices and hidden talents find recognition on a larger stage. At the district level, the emphasis is on mass participation and the discovery of talent. At the State level, the focus shifts towards refinement, mentorship, and showcasing the diversity of India's traditions. At the National level, in turn, it provides a platform for the best of the best, offering them visibility, recognition, and opportunities to connect with the nation's cultural and policy leaders.

At the heart of this initiative lie the principles of "Yuva Shakti se Jan Bhagidari" - ensuring that youth power translates into people's participation. It is this collective energy that will make the dream of a developed India not just a policy aspiration but a lived reality.
