*U.S.P.*

*Anubita*

**Preamble:** Siddharth University, located in the land of Lord Buddha, was established as a state university in June 2015 at Kapilvastu, Siddharth Nagar, Uttar Pradesh, India. The University aims to inspire and educate young minds by combining traditional knowledge with contemporary education. This institution of higher learning is committed to providing the world with qualified and skilled individuals with strong moral and ethical values. The University serves all sections of society. It provides assistance to socially and economically weaker groups through low-cost education and scholarship programmes. The institution has earned its reputation for academic excellence and is on its way to becoming one of the leading destinations for higher education.

The University's vision is to become a global centre for the creation and sharing of knowledge through scientific inquiry into various areas of human existence, based on the Noble Eightfold Path and the principles of service to humanity. The University's motto, '**atta deepo bhava**', translates as "**be the light to oneself**". This motto encourages individuals to strive for self-realization and to perceive the world illuminated by their own insights.

**Context:** Siddharth University strives to maintain and implement excellent environmental standards in all its endeavors, including education, research and community engagement. The University has a strong ecological awareness and is recognized as a responsible University. The rich biodiversity, characterized by thriving greenery, bird movement including migratory birds and the plan to develop a botanical garden, introduction of RET plants in the campus as part of the university greenery, highlights Siddharth University's commitment to high environmental standards.

**Scope:** The University is committed to maintaining and, where possible, improving the quality of its environment, both for the people who live and work at the University and for the wider community. The purpose of the University's Environmental Policy is to provide a systematic framework for environmental management commitments and to promote environmental sustainability. The policy document will assist in the integration of efficiency and environmental awareness into daily activities, allowing us to better understand our obligations and commitment to the conservation and use of natural resources. We sincerely hope that Siddharth University will take the lead in developing new frameworks for understanding the paradigm of sustainable development.

*Signature*

**Principles:** The Environmental Policy is a University-wide policy that applies to all stakeholders, including staff, students and contractors. The policy document will assist in the integration of efficiency and environmental awareness into daily activities, allowing us to better understand our obligations and commitment to the conservation and use of natural resources.

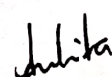

**Objectives:**

- To comply with all government environmental laws and regulations.
- To comply with all government guidelines and codes of practice.
- To integrate environmental concerns into policies, plans and programmes for social development and outreach activities.
- To work with all stakeholders and the local community to raise awareness.
- To protect and conserve ecological systems and resources within the campus.
- To ensure judicious use of environmental resources to meet the needs and aspirations of both present and future generations.
- To continuously improve the efficient use of all resources, including energy and water, and to reduce consumption and the amount of waste produced, recovering and recycling waste where possible.
- To make the campus plastic free.

## Priority Sectors

### ENVIRONMENTAL EDUCATION, TRAINING AND AWARENESS

The University shall aim to integrate sustainable development concepts and practices into all facets of teaching and learning. The University will support awareness campaigns, workshops and promote and sponsor initiatives on environmental and sustainable issues to educate students and staff and ensure that the Green Campus, Energy and Environment policies are effectively implemented. The University shall also observe important days such as Ozone Day, Environment Day, Earth Day, etc.

- **Environment-centric Student Societies and Department Activities**

The University will encourage all departments as well as specific student societies such as the NSS, NCC and others by organizing training sessions, competitions and events to raise awareness of environmental issues at a grassroots level. The University will establish a Green Society and work with departments and student societies to help students become engaged environmental stewards and conservationists.

- ✓ **Green Society**

The Green Society will provide a larger platform to promote the University's environmental values and raise awareness. Various activities under this will help the green initiatives and practices that are part of this policy to grow exponentially.

- ✓ **Plastic-Free Campus**

The University will ban the use of plastic in the campus due to its harmful effects, in an effort to create a 'Plastic Free Campus'. In addition, the University will actively plan and commit to cleanliness initiatives both inside and outside the campus. In particular, during university events, the university is committed to managing waste and maintaining a clean campus.

- **Water Management**

University shall establish systems to monitor the quality and quantity of water used and discharged, and adopt practices to conserve and reduce the use of water resources.

- ✓ Use water saving strategies such as use of water saving fittings, drip and sprinkle irrigation for gardening purpose.
- ✓ Wastewater recycling.
- ✓ Rainwater harvesting system should be installed in all campus buildings.
- ✓ Reduce water consumption.
- ✓ Water saving plans would be implemented to stop leaks, track usage and eliminate unnecessary usage.
- ✓ Promote prompt report and repair of water leakage.

*[Handwritten signature]*

4 *[Handwritten signature]*

*[Handwritten signature]*

- **Air Quality Management**

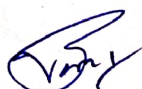

The University is committed to maintaining air quality and acting in a responsible way when it comes to carbon emissions.

- ✓ Maintain a good green campus.
- ✓ Establishment of National Ambient Air Quality Monitoring Station (NAMP) of the Central Pollution Control Board.
- ✓ Students and staff are encouraged to use public transport. No car day in a week to start.
- ✓ All faculty, staff and students will be motivated to walk, cycle between campus and outside the campus,
- ✓ Avoid the use of toxic volatile substances in science laboratories and on campus.
- ✓ Support and collaborate with educational institutions, government agencies, NGOs and communities to control, manage and communicate air pollution issues.
- ✓ Raising awareness of air quality management among students and staff.
- ✓ The University campus restricts smoking and the use of other tobacco products as appropriate.

- **Energy Conservation and Efficiency**

The University shall conserve energy by minimizing its use and making energy consumption more efficient. It incorporates the various aspects of energy consumption, management and efficiency within our University premises to use the best quality energy for the best use.

- ✓ A database of all technological resources used/bought needs to be created.
- ✓ Develop a long term plan to include safe and renewable solar energy.
- ✓ The University shall invest in renewable energy, i.e. solar energy.
- ✓ Monitor electricity bills to ensure efficient use of the power.
- ✓ The university will invest in energy efficient technologies for heating, cooling and lighting systems such as replace CFL bulb with LED bulbs, installation of solar water heater and pole top solar panel.
- ✓ Install card based access to administrative buildings, faculty rooms, guest house and other air-conditioned rooms so that power is switched off when not in use.
- ✓ Conduct regular awareness programmes among the University community on energy conservation.

- **ENVIRONMENT MANAGEMENT SYSTEM**

The University's vision is to establish an Environmental Management System (EMS), such as ISO 14000, and to adopt standardized environmental management practices, document their actual application and obtain reliable third party verification. With the exception of items reserved for the small sector, the University will priorities the purchase of ISO 14000 goods and services to promote the adoption of the EMS.

- **ENVIRONMENTAL AUDIT**

The University is committed to meeting the requirements of environmental auditing and will endeavour to provide staff and students with training that is beneficial. The University will provide support to auditing firms and keep abreast of new developments around the world. **The purchase of carbon credits may also be a new way of generating income.**

- **ENVIRONMENTAL AWARDS**

The University will support and encourage innovation and projects related to sustainable solutions, rural development and the environment. The University will promote and initiate a series of prizes and awards to strengthen awareness and implementation of environmental management and sustainable development.

- **SUSTAINABLE DEVELOPMENT PRACTICES AND GOALS:**

The University recognizes the importance of procuring its resources in a sustainable manner. The University will consider environmental and social factors when making purchasing decisions. In addition, a thorough investigation of the components of the items, their origins and their manufacturers shall be emphasized. The University shall, through its purchasing practices, select products and services that have the least environmental impact during manufacture, distribution, packaging, use, reuse, recycling and disposal. It shall endeavor to purchase items from regional or local suppliers in order to reduce transport costs and increase the University's contribution to the local community. Purchasing policies shall encourage the purchase of goods with high recycled content, low waste generation, green manufacturing practices, maximum durability or biodegradability, repairability, energy efficiency, non-toxicity and recyclability. Wherever possible, the University will assess the environmental impact of each purchase in terms of raw materials, manufacturing, distribution, use and disposal. The University shall work to reduce its carbon footprint and promote sustainable

campus practices such as planting and maintenance, educating students/officials on current environmental issues and solutions. The University shall form partnerships with governments, industry and civil society organizations to promote sustainable development. The University shall promote in-house and collaborative research and innovation for sustainable development.

**Implementation of the Policy:**

To implement and monitor the priority Areas of this Policy:

- The University shall establish an Environmental Action Committee (EAC) and a Green Society consisting of faculty, administrative staff and students.
- The University shall make budgetary provision to facilitate the smooth implementation of the policy.

**Structure of Environmental Action Committee (EAC):**

**Chairman:** Nominated by Vice Chancellor

**Member 1:** Head of Department of Botany/Senior Faculty Member

**Member 2:** Head of Department of Zoology/Senior Faculty Member

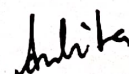

**Member 3:** Head of Department of Chemistry/Senior Faculty Member

**Member 4:** Senior or nominated member from Art/Commerce Faculty

**Member 5:** External member from academic/research institute

**The role of EAC shall be to:**

- To recommend and organize a programme to achieve the objectives set for each of the priority areas. Community participation will be encouraged in this process.
- Involve a group of students in an awareness programme for a clean and green campus and provide recognition/awards (certificates/prizes) for the best performers.
- Implement education and training programmes to raise awareness and achieve the objectives set out in the policy.
- Establish performance indicators to monitor progress in each of the priority areas.
- Carry out appropriate environmental audits and pilot projects.
- Prepare an annual report on the priority areas, summarizing the initiatives undertaken and identifying the issues that require particular attention.
- Ensure the University's environmental and energy initiatives through - Green Audit (energy

**Sub: Regarding Formation of Students' Environment & Sustainability Club**

Madam,

This is to inform you that Department of Biotechnology has received application from students of M. Sc. Biotechnology to start an Initiative towards formation of a Club. So the Department of Biotechnology has formed a Club named "**Environment & Sustainability Club**". The constitution and Bylaws of named "**Environment & Sustainability Club**" is attached herewith this letter.

This letter is for your kind information and necessary action to be taken.

Thanking You

Yours faithfully

कपिल गुप्ता

Dr. Kapil Gupta  
Department of Biotechnology

## कार्यवृत्त :-

आज दिनांक 08 जनवरी 2024 को अपराह्न 10:00 पर जैव प्रौद्योगिकी विभाग में M.Sc. II<sup>nd</sup> SEM. के समस्त विद्यार्थियों एवं विभाग के शिक्षकगणों की एक बैठक आयोजित की गई। बैठक का संदर्भ विद्यार्थियों द्वारा दिनांक 06 जनवरी 2024 को दिया गया वह प्रार्थना पत्र था जिसमें विद्यार्थियों द्वारा एक Environment and Sustainability Club स्थापित करने के संबंध में मार्गदर्शन मांगा गया था।

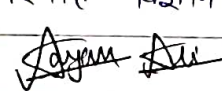

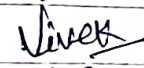

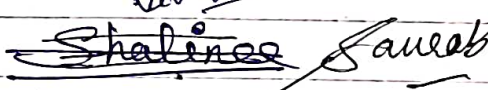

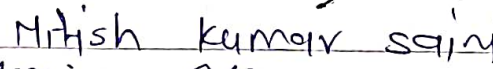

- ① बैठक में डा० कपिल गुप्ता, सहायक आचार्य द्वारा विद्यार्थी क्लबों के गठन एवं संचालन से संबंधित सामान्य जानकारी प्रदान की गई।
- ② उक्त Environment and Sustainability Club हेतु एक संविधान एवं नियम-अनियमों का एक प्रस्तावित प्रारूप प्रस्तुत किया गया।
- ③ संविधान एवं अनियम (Constitution and Bylaws) पर चर्चा के अंत में इसका अंतिम पाठ विद्यार्थी स्वीकृत एवं अंगीकृत किया गया।
- ④ नियमों के अनुसार क्लब के सदस्यों के रूप में विद्यार्थियों द्वारा स्विसम्प्रति से क्लब के अध्यक्ष, उपाध्यक्ष एवं सचिव का; तथा क्लब के मार्गदर्शक/समन्वयक का चयन किया गया जिसका विवरण निम्नवत् है :-

अध्यक्ष :- मोहम्मद आयान अली

उपाध्यक्ष :- सौरभ मिश्रा

सचिव :- विवेक

मार्गदर्शक/समन्वयक : डा० कपिल गुप्ता, सहायक आचार्य  
बैठक में निम्नलिखित आस्थित रहे :-

- ① डा० कपिल गुप्ता सहायक आचार्य एवं बैठक की अध्यक्षता
- ② डा० किरन गुप्ता सहायक आचार्य वनस्पति विज्ञान विभाग
- ③ मोहम्मद आयान अली विद्यार्थी 
- ④ विवेक " 
- ⑤ सौरभ मिश्रा " 
- ⑥ नितिश कुमार सेनी " 
- ⑦ मर्शिमा खान " 

- 8 अंशिका यादव विद्यार्थी Anshikayadav
- 9 शालिनी " Shalinee
- 10 रवी प्रजापति " Ravi
- 11 नव्या श्रीवत्सव " Navy
- 12 रागिनी मिश्रा " Ragini

आज दिनांक 19 जुलाई 2024 को  
के सदस्यों के एक बैठक

Environmental Club  
Biotechnology Department सिद्धार्थ विश्वविद्यालय  
में आयोजित की गई।

वैठक का सन्दर्भ विद्यु आगामी दिन  
शनिवार 20 जुलाई 2024 को आयोजित  
हो रहे व्यापक वृक्षारोपण कार्य में  
के सदस्यों की भागीदारी से संबंधित था।  
वैठक में यह निर्णय सर्वसम्मति से  
लिया गया कि Club के सभी सदस्य  
उक्त वृक्षारोपण कार्यक्रम में यथासंभव  
बढचढकर अपनी भागीदारी सुनिश्चित करेंगे।  
वैठक में निम्नलिखित उपस्थित रहे:

डॉ कपिल गुप्ता, सहायक आचार्य Dept. of Biotechnology.  
मार्गदर्शक/समन्वयक

1. मो. आयान उमली
  2. विवेक
  3. नितिश खैनी

## **Constitution and By Laws of Environment & Sustainability Club of Biotechnology Department, Faculty of Science, Siddharth University**

**Environment & Sustainability Club** raise awareness about critical environmental issues such as **biodiversity conservation, pollution, climate change, and the Sustainable Development Goals (SDGs)** set by the United Nations. Through education, awareness initiatives, and hands-on projects, we aim to build a sustainable world.

**Name:** The Club shall be known by the name “**Environment & Sustainability Club**”.

**Vision:** Cultivating environmental consciousness for a sustainable world.

**Affiliation:** This club shall be affiliated to Department of Biotechnology, Faculty of Science, Siddharth University

### **Objectives**

- To bring students to play an active role in improving the sustainable practices of their office, building or department. This will include reducing energy cost, waste reuse, plastic reduction, saving water, tree planting etc.
- To create awareness among the students about the need of environmental Protection
- To prepare and organize student`s participation for preservation and conservation of environment
- It also focuses on how each individual can reduce, reuse, and recycle to make Earth greener and sustainable.
- Promote sustainable practices and lifestyles.
- To celebrate environment related days.
- To organize cleanliness drive in nearby villages.
- To organize tree plantation programs
- To use different media for spreading messages concerning environment

### **Eligibility**

1. Membership in the club shall be open to all students of the Siddharth University, Kapilvastu
2. There is no restrictions for the number of members in this club.
3. Eligibility for membership shall not be restricted on the basis of race, sex, color, age, religion, national origin, marital status, sexual orientation, physical or mental handicap.

### **Governing Body**

The governing body shall consist of President, Vice-President & Secretary. They must be regular students.

**Eligibility** – To be eligible for office, candidates must be regularly enrolled students who are full-time students, & have specific skills related to the position, good communication etc.

**Election/ Selection** – President, Vice-President and Secretary will be selected /elected on the basis of interview and voting as and when required.

**Body** will be elected after one month of completion of admission process every year

### **Governing**

**Term** –. The governing body shall serve for one year and their term of governing body shall begin at the commencement of the first semester every year.

**Vacancy** –If a vacancy occurs in the governing body of President, the Vice-President shall assume the office for the remainder of the term and vacancies in any other office shall be filled by the choice of Paryavaran Club Co-ordinator.

### **Meetings**

Annual General Meeting – shall be held soon after the commencement of the 1<sup>st</sup> session every year.

Governing Body Meeting –At least 3 meetings may be conducted in a academic year.

**Special Meeting**– may be called as and when required for both governing and general body.

### **Advisor/ Coordinator**

**Selection** – There shall be a faculty member who will act as an advisor or coordinator of the Environment & Sustainability Club.

**Duties / Responsibilities** – The responsibilities of the faculty advisor shall be :

- To help in organizing various activities and programs sponsored by the student club.
- To meet on a regular basis with the leader of the student club to discuss upcoming meetings, long-range plans, goals, and problems of the club.
- To attend regular meetings, executive board meetings as often as schedule allows.
- To Explain and clarify campus policy and procedures that apply to the club.
- To help in making the activity report.

**Amendments:**

**Notice for Amendment**– A notice must be served to all the members for any amendments in the constitution and bylaws at least three days before the meeting for amendment.

The bylaws can be amended through 2/3 majority of the general body in meeting by a vote, approved by the coordinator.

**Subject:** Sanction letter for the research project entitled “**Advanced metal sulphide quantum dots for the photodegradation of nano/microplastic in Indian environment perspectives**” Unique ID: SMGFOC/2023-24/FS-006 under the Seed Money Grant Scheme (Protsahan 2023-24) of the Siddharth University, Kapilvastu.

Dear Sir/Madam,

With reference to your research project entitled “**Advanced metal sulphide quantum dots for the photodegradation of nano/microplastic in Indian environment perspectives**” for financial support under the Seed Money Grant Scheme (Protsahan 2023-24) of the Siddharth University, Kapilvastu (Protsahan 2023-24), consequent on the recommendation of the Research Promotion committee, and subsequent approval of the competent authority, the sanction of seed money grant is hereby accorded as under:

Year	Non-Recurring	Recurring	Contingency	Total Grant : Rs 2,00,000 (Rupees Two Lakhs only)
1 <sup>st</sup> Year	50,000	30,000	20,000	
2 <sup>nd</sup> Year	30,000	18,000	12,000	
3 <sup>rd</sup> Year	20,000	12,000	8,000	
Total (Rs)	1,00,000	60,000	40,000	

Terms and conditions for the implementation of the sanctioned research project:

- The seed money grant shall be governed by the ‘Research Promotion Policy (Protsahan)’ of Siddharth University, as well as the decision taken by the University, from time to time.
- On the acceptance of this sanction letter, the PI must submit an acceptance letter for the seed grant in prescribed proforma (**enclosed**), within two months of the date of issue of the sanction letter.
- The date of acceptance shall be treated as the date of commencement of the project and shall be referred for the allocation of the first-year grant.
- The total duration of the project shall be for three years from the date of commencement of the project.
- The seed money grant is sanctioned to the PI. No co-PI shall be allowed under the seed money grant.
